### **ORDER**

Relying on Will dated 15.03.2000 executed by their late father in their favour, the petitioners executed settlement deed dated 13.11.2025 in favour of their brothers and presented the same for registration. The request for registration was declined under the impugned refusal check slip on the ground that the Will is unregistered and that the patta is not in the name of the executants.

2. Learned counsel for the petitioner submits that registration of a Will is optional and not compulsory.

3. Mr.U.Baranidharan, learned Special Government Pleader, accepts notice for all the respondents. He has handed over copies of patta no.195 in the name of Chenrayan and patta nos.411 in the names of 16 persons including the two petitioners herein.

4. As submitted by learned counsel for the petitioners, the registration of a Will is optional and not compulsory under the Registration Act, 1908. The Will was executed at Vaniyambadi and pertains to properties at Vaniyambadi. Therefore, even prior to the recent amendment to the Indian Succession Act, it was not necessary to obtain probate or letters of administration in respect of such Will. In these circumstances, the impugned refusal check slip cannot be sustained and is hereby set aside.

5. Consequently, the petitioners are permitted to re-present the settlement deed for registration within two weeks from the date of receipt of a copy of this order. Subject to fulfilment of other requirements relating to registration, the registering officer is directed to register the document within two weeks from the date of representation.

6. This writ petition is disposed of on the above terms. No costs. Consequently, the connected writ miscellaneous petition is closed.
