## ORDER

**WEB COPY** The petitioner asserts that immovable properties were bequeathed to the petitioner under a Will executed by his sister's husband, P.G.Krishnan, in his favour on 10.07.2024. The petitioner states that the said Will came into operation on the death of the testator on 09.06.2025. On the basis of the said Will, the petitioner executed a settlement deed in favour of his wife and presented the same for registration. The request for registration was declined under the impugned order on the ground that the Will is unregistered. Hence, this writ petition.

2. Ms.Akila Rajendran, learned counsel, accepts notice for the sole respondent.

3. The petitioner has placed on record the Will. The said Will has been executed in a village in Chengalpet District. The relevant properties are also situated outside Chennai. Therefore, even prior to the recent amendment to the Indian Succession Act, the legatee was not required to obtain either letters of administration or probate. Under the Registration Act, 1908, compulsory registration is not necessary as regards a Will. Therefore, the impugned order cannot be sustained and is set aside. As a corollary, the petitioner is permitted to re-present the settlement deed for registration within a period of two weeks

from the date of receipt of a copy of this order. Subject to fulfilment of other requirements relating to registration, the registering officer shall take necessary

**WEB COPY** steps to register the document within two weeks from the date of re-presentation

thereof.

4. The writ petition stands disposed of on the above terms. There will be no order as to costs.
